Re: RCRA Financial Assurance  
Kansas City, Kansas Facility  
EPA I.D. Number KSD000203638

Dear Mr. Hendey:

The modifications to the financial test documentation submitted on April 26, 1988 by Olin Corporation for the purpose of demonstrating RCRA financial assurance for closure costs and liability coverage at the Kansas City, Kansas facility have been reviewed.

All revisions were found to be adequate. KDHE thus finds Olin Water Services in compliance with the 40 CFR 264 Subpart H requirements.

Thank you for your cooperation with the Kansas Hazardous Waste Management Program.

Sincerely,

*Brenda Clark*
